Work Experience

MilkCrate LLC   **Philadelphia, PA**
Digital Product + UX & UI Designer   March 2022 - Sept 2022

- Led the overall user interface design for the company, with a focus on visual interface and experience design

- Designed and developed low and high fidelity interactive prototypes for apps that exhibit the clients' brand and culture

- Worked with SQL to query and modify records through pgAdmin in a database server to build apps for release on Apple and Google app stores

- Conducted user research for client applications to improve usability for future design choices

- Established and maintained effective communication with clients by meeting their needs and addressing concerns

Doma Restaurant   **Philadelphia, PA**
Host & Server   June 2019 - Present

- Work in a client facing environment to ensure the best experience for customers

- Collaborate with the restaurant team to improve service, communication, and efficiency

- Gain proficiency in the POS system to take orders, manage funds, and customize the UI

- Take on leadership responsibilities through management of employees and on the spot decision making

Cradles to Crayons   **Philadelphia, PA**
Teen Leadership Corps Member   June 2019 - May 2020

- Engaged with volunteers in philanthropic efforts to combat children's clothing insecurities

- Trained volunteers in the communication and practical skills needed

- Participated in Backpack-a-thon, a large effort to collect clothing and school supplies as a donation coordinator
